Lowerhouse - Inspiring a lifelong love for learning!

Monday 23rd March 2026

Dear Parents and Carers,

We are thrilled to announce that **Year 6 will be embarking on their exciting residential adventure to PGL Dearne Valley from Monday 5th to Wednesday 7th October 2026!**

This residential visit is a wonderful opportunity for the children to enjoy a memorable experience with their classmates, while also developing their independence, confidence, and teamwork skills ahead of their transition to secondary school. During their stay, the children will take part in a wide range of thrilling outdoor and adventurous activities, including **archery, zip wire challenges, abseiling, climbing, canoeing** and many more team-building sessions led by trained PGL instructors. It promises to be a fantastic adventure and one that will create lasting memories for the children.

We understand that the rising cost of living and residential visits can make trips like this challenging for families. That's why we have worked hard to secure substantial funding to support the visit. Thanks to this support, **the total cost of the residential is only £112 per child**, with school subsidising transport. This ensures that every child can participate in this incredible experience at a greatly reduced rate, including accommodation, all activities, and meals throughout the stay.

All food is included during the visit, with the exception of a packed lunch on the first day, which children will need to bring. After this, the centre will provide all meals, ensuring children are well-fed and ready for their adventures.

We very much hope that all Year 6 children will join in this exciting opportunity. Residential visits like this are often a highlight of primary school, helping children build resilience, strengthen friendships, and try new experiences in a safe and supportive environment.

School requires a non-refundable £30.00 deposit by Friday 17th April 2026. Payment can be made in full or via instalments on Parent Pay. Payments must be completed by Friday 25th September 2026.

Further information regarding kit lists will be shared in due course.

Thank you for your continued support in helping us make this an unforgettable start to Year 6's adventure!

Yours sincerely,

Mrs Marsden (Deputy Headteacher)
