Lowerhouse - Inspiring a lifelong love for learning!

26th January 2026

Dear Parents/Carers,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in across the UK. The competition runs from 07:30 GMT to 19:30 GMT Friday 6th February 2026. It's all done online via play.trockstars.com .

On the day (Friday 6th February) we encourage children and staff to come dressed as rock stars and a welcomed donation towards the NSPCC.

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average. Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30am and 19:30pm on Friday 6th February 2026.

Each class will be allocated a 30-minute time slot on the day for pupils to complete as many questions as they can.

Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

Yours sincerely

G. Lloyd
