### Lowerhouse Junior School, Burnley Photograph Consent form for use by schools

Name of child: \_\_\_\_\_ Class & Year Group: \_\_\_\_\_

Occasionally, we may take photographs of the children at our school. We use these images as part of our school displays and sometimes in other printed publications. We will also use them on our school website and Facebook page.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article. If a child has won an award and the parent would like the name of their child to accompany their picture we will obtain permission from the parent before using the image.

From time to time, our school may be visited by the media who will take photographs or film footage of a high profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school. Forms not returned by **Friday 14<sup>th</sup> February** school will take this as you do consent for children to be on platforms.

## **Conditions of use**

This form is valid indefinitely from the date you sign it.

We will not re-use any photographs or recordings a year after your child leaves this school. Historic photographs will remain on our school website and social media feeds.

We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image or video, on our website, on our social media platforms in our school prospectus or in any of our other printed publications.

If we name a pupil in the text, we will not use an individual photograph of that child to accompany the article.

We may include pictures of pupils and teachers that have been drawn by the pupils.

We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
