Lowerhouse - Inspiring a lifelong love for learning!

15th May 2025

Dear Year 6 Pupils,

We hope this letter finds you well and full of enthusiasm following your busy SATs week. We wanted to take a moment to celebrate the progress and efforts each and every one of you have made throughout the week and this year.

Firstly, we are proud of all your hard work. It has been a pleasure to see your resilience and determination, which are qualities that will serve you well not just in SATs but in all areas of your school lives.

This week was an opportunity for you to showcase all that you have learnt and achieved so far. Remember, SATs are just one part of your school journey, and they do not define your abilities or limit your potential.

It is important to understand that you are not defined by a test score. What matters is how polite you are, how good you are as a person, and how supportive you are as friends to one another. These qualities will serve you far better in life than any number on a paper.

You have approached this week with a fantastic attitude and approach during your SATs. We have no doubt that you gave your best as your attitude has been fantastic.

Well done!

All the staff at Lowerhouse Junior School
