Lowerhouse - Inspiring a lifelong love for learning!

13th June 2025

To Parents/Carers of Children in Rowan

Dear Parent/Carer

Rowan class have been invited to take part in the Under The Sea UV Lighting Project, run by Rosegrove Neighbourhood Watch. The young people and residents of Rosegrove, Gannow and Lowerhouse have been working hard over the last 10 weeks doing an UV Art installation hoping to raise awareness of pollution in our waters and seas. The children will complete colouring sheets that will be added to the art installation and then be given the opportunity to view their work as part of the installation.

The visit will take place on **Tuesday 17th June**. We will be walking to and from Rosegrove Railway Club. We will return to school for 12:00pm, so the children can have their normal school dinner or packed lunch. Children will need to wear their full school uniform for the trip, and should be dressed appropriately for the weather on the day (sun hats and sun cream, or showerproof coats)

Thank you for your help and support with this.

J. Cosgrove
