

Lowerhouse Junior School Newsletter

Friday 27th June 2025

At Lowerhouse Junior School, we build everything we do around our four key values of **Aspiration, Integrity, Resilience** and **Respect**
Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

With just 3 weeks remaining, we have an extremely busy time ahead. Please look at the diary dates section at the bottom of this newsletter. We have included as many dates as possible so that you have advanced notice of events taking place in school. Furthermore, the children have been working hard on their end of year assessments. It has been great to hear teachers sharing the successes of their class with us throughout school. We have also given out letters for our Yr3/4/5 Summer Disco and Yr6 Leavers Disco. Please return slips and payments if interested as places will be on a first come first served basis.

Best wishes

Mr G Lloyd

Year 5 & Year 6 Football Johnson Trophy Final!

Well done to our amazing Year 5/6 football team for their fantastic performance in the Burnley School Sport Partnership Johnson Trophy Final! The match ended in a thrilling 3-3 draw, leading to a tense penalty shootout. Although just missing out, the team showed our value of "resilience" to come so close. Thank you to Mr Cosgrove for all his hard work with the boys and to our supportive families. Your encouragement means the world!

Curriculum In Action: Computing – Coding (Y4 Maple)

This week, our Year 4 Maple class tackled a fun coding challenge! Students explored how a popular game was made and worked together to recreate it. Their teamwork and creativity were amazing to see! These activities help them learn coding and solve problems while having fun. The children can play the game here:

Online Safety Tip

Children love gadgets and smartwatches – available to buy from as little as £20 online – make a tempting gift. As with any type of mobile technology, though smartwatches can pose risks to children unless they’re used safely. Receiving unwanted calls, cyber-stalking and distracting a young person when they’re crossing the road as risks linked with smartwatches.
