

Lowerhouse Junior School Newsletter

Friday 16th May 2025

At Lowerhouse Junior School, we build everything we do around our four key values of **Aspiration, Integrity, Resilience** and **Respect**
Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

A huge well done to all our children who sat their Year 6 SATS tests this week. I know that every-one of you tried their best and certainly did yourselves proud throughout the week. Also, I would like to extend my thanks to all the staff who have supported the children throughout the week. From getting the breakfast ready before school, to keeping the children calm and collected throughout the entire process. You all did a sterling job - certainly a fantastic team effort!

Y6 SATS

Best wishes

Mr G Lloyd

Uniform Reminder: Let's Keep Standards High!

We would like to remind everyone about our school uniform policy. Recently, we've noticed some children wearing trainers with uniform and also coming in with incorrect PE kits. Please make sure your child wears the correct uniform and wears the right PE kit for lessons. It helps us maintain a smart environment! For a full list of our uniform expectations, visit our [Uniform Page](#).

SCHOOL UNIFORMS

Join the Beat the Street Challenge

Last week, every child took home their "Beat the Street" Map and Family Pack! From **14th May to 25th June**, let's explore Burnley and have fun getting active together as a family! Whether it's walking, cycling, or just enjoying the outdoors, **Beat the Street** is all about being active and discovering our local area.

Yr3/4 Cross-Country Race – Towneley Park

Massive congratulations to our Year 3 and Year 4 Cross-Country Team on their impressive performance at the Burnley School Sport Partnership race! Their resilience shone through as they tackled the course with determination. We are so proud of your hard work and team spirit! Keep up the great effort!

Curriculum In Action: Science – Water Resistant Investigation (Yr5 – Science)

This week in our Science lessons, Yr5 were investigating the effects of water resistance. Our scientists planned their experiments by identifying which variables will remain constant and which will change, ensuring we gather accurate results. They also decided on the key measurements to take, promoting critical thinking and problem-solving skills through hands-on learning.

What Parents and Carers Can Learn from Township

Despite launching in 2011, Township remains popular with children and adults alike. A city-building game with farming elements, it takes players with developing their settlement and unlocking new features along the way. Aimed at the more casual gamer, it's mostly child friendly – but there are still related risks to be mindful of.

Picture News & British Value!

Mutual Respect and Tolerance

Every family or community has its own history, which can help to shape each individual member. When we understand and embrace this, we can treat everyone with empathy and respect.

What is your identity?

Staff Shout Out

Each week we like to celebrate our amazing staff and the hard work they put in for everybody at school. Our winner this week is.....

Mr Pope

because he has settled in brilliantly to Lowerhouse Junior School.
