## Online Safety Tip

### What Parents and Carers Can Learn from Pop-Up Ads

Pop-up advertisements have been a staple of the internet since they were first introduced in the late 1990s. This form of advertising causes a small window or banner to appear in the foreground while someone is browsing a website. Pop-ups can present more severe risks to younger people

## Picture News & British Value!

### Mutual Respect and Tolerance

Life is not the same for everyone. Learning about times in the past that others have experienced can help us develop empathy and respect.

Can remembering difficult times help shape a better future?

## Staff Shout Out

Each week we like to celebrate our amazing staff and the hard work they put in for everybody at school. Our winner this week is.....

### Miss Parker

because she is a very supportive partner teacher (and for her tech support)
