

Lowerhouse Junior School Newsletter

Friday 21st March 2025

At Lowerhouse Junior School, we build everything we do around our four key values of **Aspiration, Integrity, Resilience** and **Respect**
Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

As the sun returns to brighten our days, it has been wonderful to hear the excitement bubbling among our Year 6 students. Many have been sharing their incredible progress since the tests this week. Additionally, we are thrilled to extend an invitation to all parents. We would love for you to assist your children in crafting an imaginative "egg-shibit" for our annual Easter Egg and Bonnet competition. Remember, all entries should be brought into school on Thursday, 3rd April or Friday, 4th April, so our school council can judge the splendid creations.

Well Done, Yr3/4 Girls Football Team!

What a fantastic start to the year for our Yr3/4 girls football team! They did an amazing job in their first matches, showing our value of "aspiration." The games against Padiham Green and Christ the King were close! A big thank you to Mr Cosgrove for his help and to all the parents for their wonderful support! Your help means so much. Keep up the great work, girls! We are so proud of you!

Join Our Team as a Parent Governor!

Exciting news! We have 2 Parent Governor positions available, and we want YOU to help support the future of our school! As a Parent Governor, you'll play a vital role in making a difference in supporting the school and ensuring their voices are heard. Your insights and ideas can help us create an even better learning environment! If you're interested, don't hesitate to reach out to Mr Lloyd or email us at admin@lowerhous.lancs.sch.uk.

A Special Visit from Life Church, Burnley

This Thursday, we welcomed visitors from Life Church, Burnley! They shared important information about their culture and the meaning of Easter for Christians. Our students learned about what Easter means, why it is special, and much more. It was a great experience that helped bring our school community together! A big thank you to Miss Roberts for organising this lovely visit. We are grateful for the chance to learn from our local community.

Curriculum In Action: Science – Investigations (Yr4 – Maple & Rowan)

This week, our Year 4 pupils took part in a fun science investigation to find out the best place to dry things! The children worked well together and had great talks about what could change their results. They showed off their teamwork and problem-solving skills! We are proud of their enthusiasm and hard work! Keep it up, Year 4!

Online Safety Tip

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. Our guided and tip this week provides parents and carers with some useful tips on keeping children safe online.
