Dear Parents/ Carers,

What a week we have had! Excitingly, we celebrated World Book Day with a multitude of amazing and creative ideas focused on vocabulary. Throughout the school, I enjoyed walking around and seeing everyone's brilliant writing displayed proudly near their classrooms. Enthusiastically, we recognised your hard work and dedication in English. Keep up all the fantastic efforts! You truly help each other with your creativity and talent for words!

World Book Day – Thursday 6th March 2025

It was fantastic to see our children (and staff) celebrate World Book Day with a range of "vocabulary" to brighten up the day at school. Children took time to discuss their favourite books and the importance of reading throughout school. All children received a book token to buy a new book at local bookstores and supermarkets.

Curriculum In Action: DT – Stable Towers (Yr5 - Oak)

What a fantastic afternoon our Year 5 Oak Class had this week! The children embarked on a journey as they dove into their Design and Technology project, focusing on building a stable tower! Armed with rulers and saws, the creativity and precision on display were truly inspiring. From measuring to cutting, our talented learners demonstrated their skills while bringing their imaginative ideas to life. We can't wait to see the incredible towers they build!

Online Safety Tip

Everyone in the UK has the right of “freedom of expression”. That’s the right to voice your opinion and share information and ideas with others. It’s not the right to say whatever you want without regard for others’ feelings and values. We all have a responsibility to use this right properly: being respectful and inclusive to others. Communication attacking or discriminating against groups or individuals is hate speech, not free speech
