Friday 17th October 2025

At Lowerhouse Junior School, we build everything we do around our four key values of **Aspiration, Integrity, Resilience** and **Respect**
Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

We have had a truly exciting week filled with incredible activities happening around our school, both inside and beyond the classroom! A heartfelt thank you to all our families who attended the Parent Teacher Consultation Meetings; it was wonderful to share the fantastic progress the children have made at the start of this year. Your support means so much to us! This morning, we proudly awarded our winning house with our House Point Trophy for the half term.

Congratulations to Rosegrove House! Their hard work and determination have truly shone through. As we look forward to the next half term, we can't help but wonder if they will be able to keep hold of the trophy. Keep up the brilliant work, everyone!

A Morning of Music and Rock - Rocksteady

On Tuesday, our school was alive with the sounds of music thanks to **Rocksteady Music School**! Children and staff came together for an engaging assembly, exploring a variety of instruments and enjoying live performances from our talented bands. 🎸🥁

What Parents and Carers Need to Know about Roblox

Roblox is one of the most popular video games among children. In 2020, the game’s developers claimed that more than half of the USA’s children had played it. As a “sandbox” title, the game lets players create their own gaming experiences with Roblox Studio to build custom levels, which can then be shared online.

Rule of Law

New Laws can sometimes mean changes for everyone. If digital ID cards become law, people will need to follow the new laws. It’s important that laws are fair and help everyone feel safe and supported.

Should everyone have an identity card?
