

Lowerhouse Junior School Newsletter

Friday 28th November 2025

At Lowerhouse Junior School, we build everything we do around our four key values of **Aspiration, Integrity, Resilience** and **Respect**
Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

We've had at school! The children have been busy completing their assessments, and we are proud of the progress each of them has made. It is great to see their hard work paying off! We would also like to extend a huge thank you for all the donations to our chocolate tombola. Your generous support makes such a difference, and it's wonderful to see everyone coming together as we look ahead to our **Christmas Fair** on the **5th of December**. Next week, we kick off our festive celebrations with our Christmas Carol Service in school for the children on Thursday!

Robin Hood Pantomime at Rosegrove Railway Club

What a busy day we had at Rosegrove Railway Club on Tuesday! All the children were thrilled to attend the Rosegrove Neighbourhood Watch Pantomime of Robin Hood. With its lively songs, fun-filled moments, and plenty of audience participation, we truly kicked off the festive season in style!

Year 4 Football Victory v Ightenhill Primary School

Well done to our amazing Yr4 footballers, who showed our school value of resilience with a superb 10-1 win today! The team demonstrated our key values through the game showing respect and enthusiasm. A massive thank you to Mr O'Brien, Mr Cosgrove, and Mr Pope for their support and efforts with football across the school. Keep it up, Lowerhouse!

Yr3 and Yr4 Gymnastics Festival Fun!

We are thrilled to celebrate the remarkable achievements of our talented gymnasts who participated in the Burnley School Sport Partnership Year 3/4 Gymnastics Festivals! Their confidence and dedication truly shone through in every activity, and we couldn't be prouder of their hard work and commitment. The festival provided an excellent opportunity for our children to showcase the skills they have developed during their PE lessons, which included teamwork, discipline, and physical fitness.

Curriculum In Action: Science – Digestive System (Y4 Maple)

This week, Year 4 Maple dived into the fascinating world of the digestive system! Through a hands-on experiment, they used various items to represent different parts of the digestive process. They then showcased their understanding by writing about what each section represented. It was a fantastic way to learn and engage with science!

Online Safety Tip

Using & Reviewing Parental Controls

With most children today having their own phones, computers and other devices, it’s vitally important that parents and educators know how to keep young people protected while using them. Between targeted adverts, age-inappropriate content, and other online safety concerns, it can sometimes feel overwhelming to keep on top of.

Picture News & British Value!

What are some of the different ways we can express ourselves?

Individual Liberty
We each share our ideas and feelings in our own way, and creativity can help us express who we are. When we respect these differences, everyone can feel valued and free to be themselves.

Staff Shout Out

Each week we like to celebrate our amazing staff and the hard work they put in for everybody at school. Our winner this week is.....

Miss Fairhurst

because she always goes above and beyond to

help around school.
