1. Introduction and aims

At Lowerhouse Junior School, we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

-  Promote, and set an example for, safe and responsible phone use
-  Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
-  Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

-  Risks to child protection
-  Data protection issues
-  Potential for lesson disruption
-  Risk of theft, loss, or damage
-  Appropriate use of technology in the classroom

2. Roles and responsibilities

2.1 Staff

All staff (including teachers, support staff, and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy every 2 years, reviewing it, and holding staff and pupils accountable for its implementation.

2.2 Governors

Ratified at the Governing bodies relevant to each area.

3. Use of mobile phones by staff

3.1 Personal mobile phones and Smart Watches

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present. Use of personal mobile phones and Smart Watches must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staff room).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

-  For emergency contact by their child, or their child's school

 In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01282426774 as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information.

See schools Data Protection and Safeguarding Policies

3.3 Safeguarding

Staff must refrain from giving their personal contact details to parents or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

-  Emergency evacuations
-  Supervising off-site trips
-  Supervising residential visits

In these circumstances, staff will:

-  Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
-  Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
-  Refrain from using their phones to contact parents. If necessary, contact must be made via the school office

3.5 Work phones

School provides a mobile phone for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

-  Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
-  Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

4. Use of mobile phones by pupils

Pupils in Years 5 and 6 are permitted to bring mobiles into school to aid them when;

-  Travelling to school by themselves
-  Young carers who need to be contactable
-  Can only be used outside school hours

Mobiles are collected and stored securely and returned to pupils at the end of the day.

4.1 Sanctions

Mobiles will be confiscated and stored appropriately for collecting at the end of the day.

Staff have the power to search pupils' phones, as set out in the The DfE guidance allows you to search a pupil's phone if you have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

-  Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
-  Upskirting
-  Threats of violence or assault
-  Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents, volunteers and visitors

Parents, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

-  Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
-  Using any photographs or recordings for personal use only, and not posting on social media without consent
-  Not using phones in lessons, or when working with pupils

Parents, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents or volunteers supervising school trips or residential visits must not:

-  Use their phone to make contact with other parents
-  Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

-  Provide a copy of your policy and disclaimer to new pupils and parents

Lost phones should be returned to office. The school will then attempt to contact the owner.

7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

-  Feedback from parents and pupils
-  Feedback from teachers
-  Records of behaviour and safeguarding incidents
-  Relevant advice from the Department for Education, the local authority or other relevant organisations

Lowerhouse Junior School Children's Mobile Phone Policy and Permission Agreement

Children do not need a mobile phone in school.

Children should really only bring their mobile phones into school if they are walking to school alone or walking home alone and you wish them to have one in case of an emergency and this has been agreed by the Headteacher.

If your child fits the above criteria, could you please sign and return the form below to indicate that due to safety reasons you wish your child to bring a phone into school for the school year 2025-2026.

Please note that your child will need to switch their phone off completely before entering the school grounds (i.e. at the gate) and will need to hand their phone into the baskets in the school office at the beginning of the school day.

Pupils cannot be contacted during the school day on their mobile phone.

The phone will be kept locked away securely during the day and it is the child's responsibility to collect their phone from the correct baskets after they have been dismissed from their class at 3.25pm

If children bring a mobile phone to school without permission, we will confiscate the phone and ask a parent or carer to collect it at the end of the day. We will not return any confiscated items back to children directly. This is to discourage the use of phones on the school grounds.
