Friday 27th March 2026

At Lowerhouse Junior School, we build everything we do around our four key values

Aspiration, Integrity, Resilience and Respect

Our School Motto is *'Inspiring a lifelong love for learning.'*

Dear Parents/ Carers,

What a very busy and short term we have had with so much to be thankful for and to celebrate! Our Sponsored Read event raised school over **£1,000** in books for our library.

The generous and anonymous donation to school to reach this amazing amount just highlighted the welcomed and needed support in our school community. It is a busy summer term ahead with tests, trips and visitors planned. We wish all our families a happy and holy Easter break with lots of memories to treasure. We look forward to seeing you all again on **Monday 13th April 2026**.

Online Safety Tip

What Parents and Carers Need to Know about Shopping Apps

For people looking to make purchases on their phones, several shopping apps – such as Temu – allow users to buy goods at reduced prices. Others, like Vinted and Depop, let you sell items you no longer want. As internet shopping grows, however, so does the risk of scammers, hackers and breaches of privacy.

British Values

Democracy

To show democracy in action, the Bank of England gave everyone a say by voting for their favourite theme. The bank chose nature because it was the most popular choice among the public.
