Curriculum In Action: Bikeability (Yr5 Chestnut & Oak)

Year 5 have been outside, embracing the fresh air while honing their cycling skills! It has been inspiring to see some learn to ride for the very first time, while others have gained confidence on the roads. Many learners tackled new challenges, such as balancing and steering with ease. Others improved their existing skills, showing remarkable progress.

Online Safety Tip

What Parents and Carers Need to Know about Tech-Free Christmas

The Christmas holidays are tailor made for families to enjoy relaxed quality time in each other's company – but with distractions like pinging notifications, the lure of games consoles and online Boxing Day sales, that can be more difficult than it sounds. Staying off our phones, laptops and tablets, however, can really help us to appreciate the things that genuinely matter
